

Comma Group is proud to be a Premier partner of Stibo Systems

Comma Group is the leading data management consultancy focused on solving data challenges.

Our mission is to be recognised globally as the leading consultancy exclusively focused on data and information excellence. By remaining concentrated on PIM, MDM and supporting services, it allows us to excel in this area and provide a service that puts our clients' needs first and delivers truly outstanding results.

Stibo Systems, the master data management company, is the trusted source of MDM.

Their solutions are the driving force behind forward thinking companies around the world that have unlocked the strategic value of their master data, empowering them to improve the customer experience, drive innovation and growth and create an essential foundation for digital transformation. Stibo Systems gives companies the transparency they require and desire – a single, accurate view of their master data – so they can make informed decisions and achieve goals of scale, scope and ambition.
